

## *I Want You To Face The Mountain*

*I want you to face the mountain  
So that you can see*

*When the mountain is out of the way  
All there is left is me*

*Only I can move the mountain  
Only I can push it away  
Only I can conquer the problems that you face today*

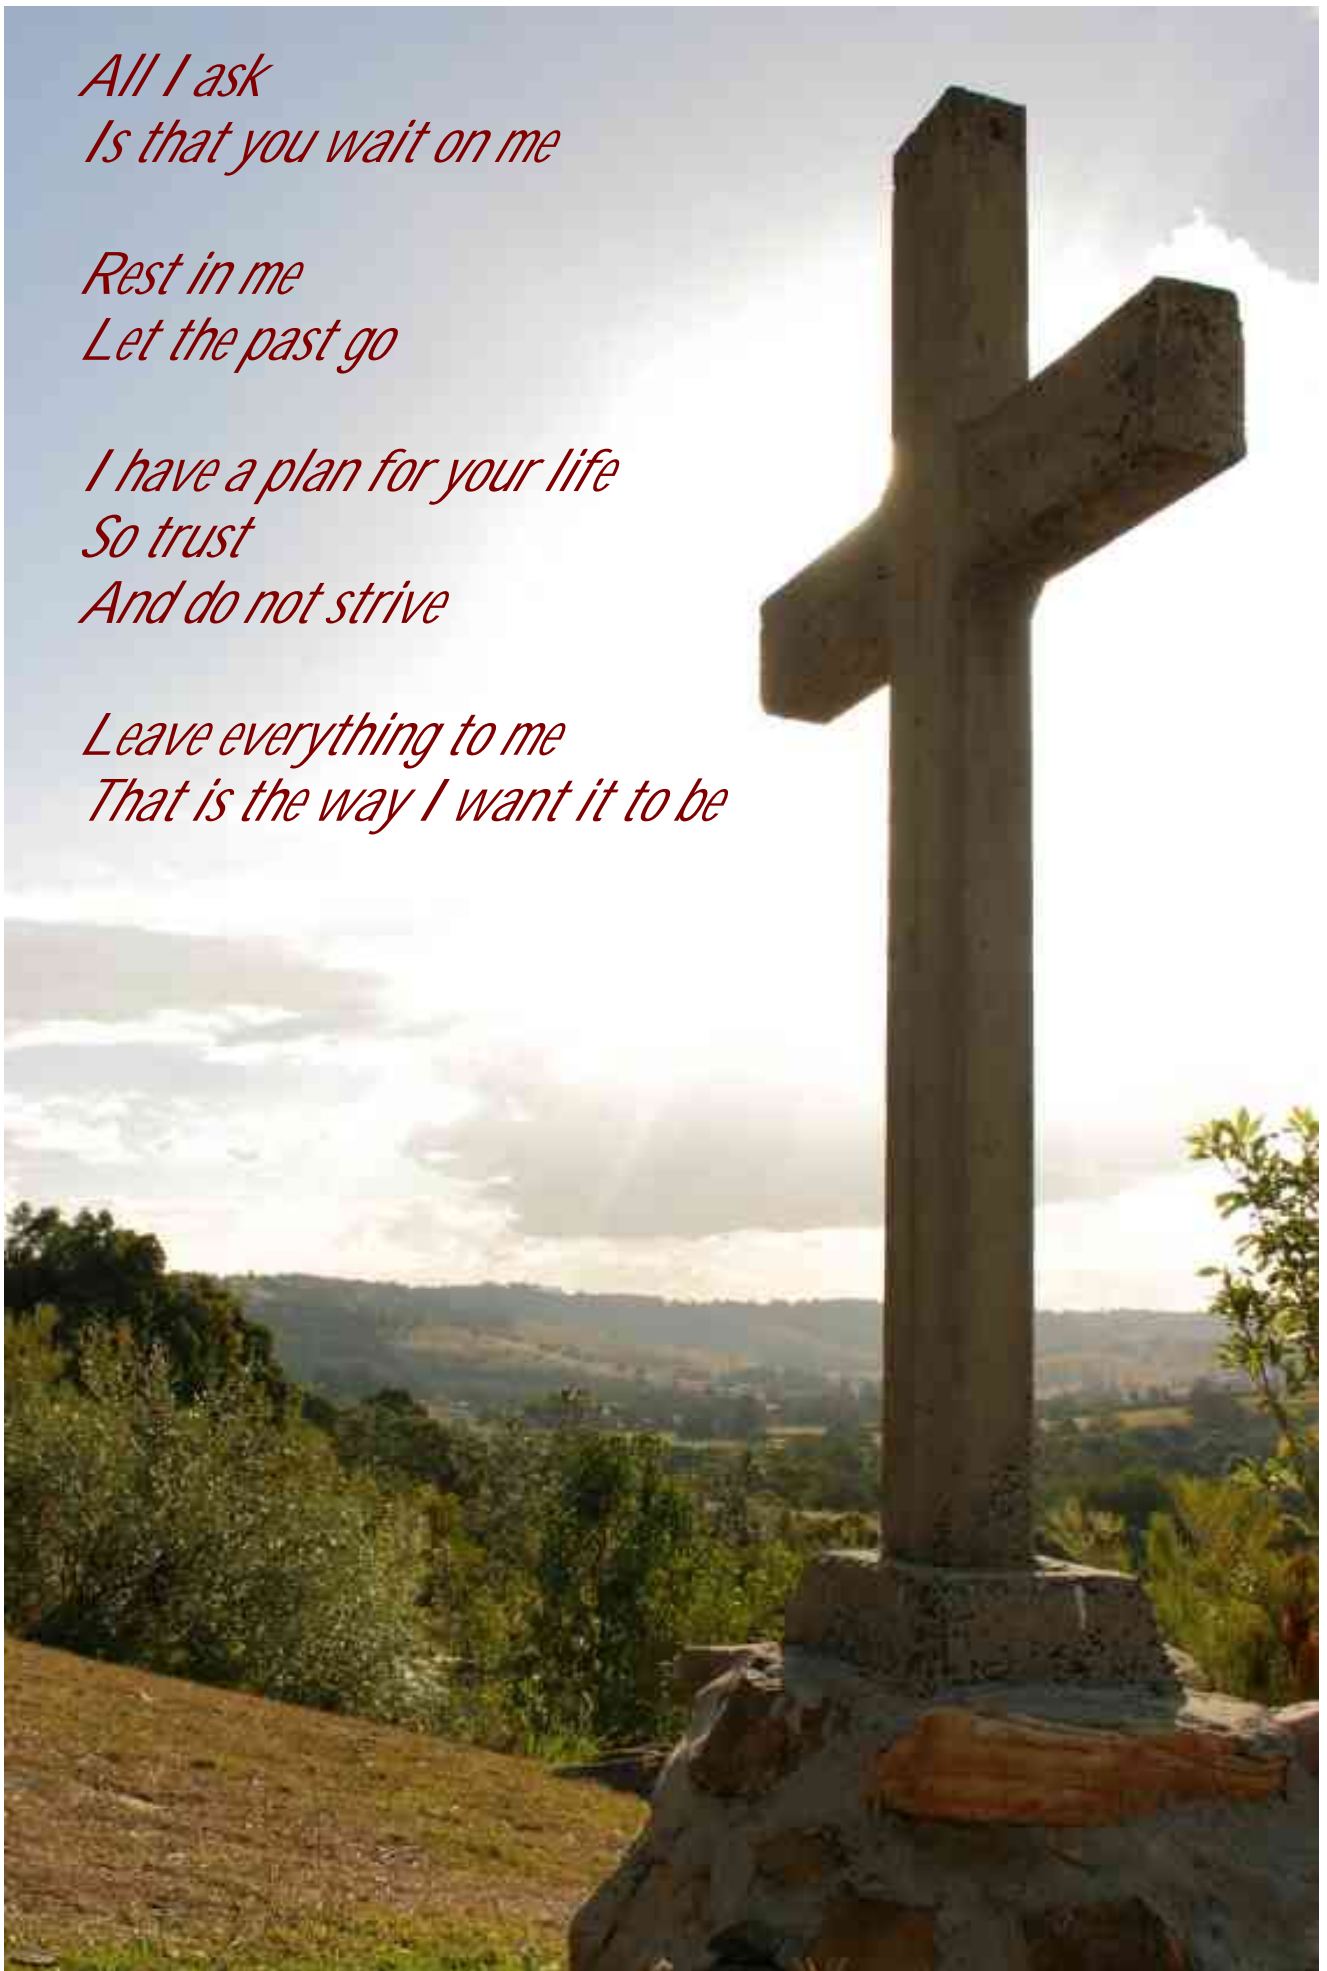

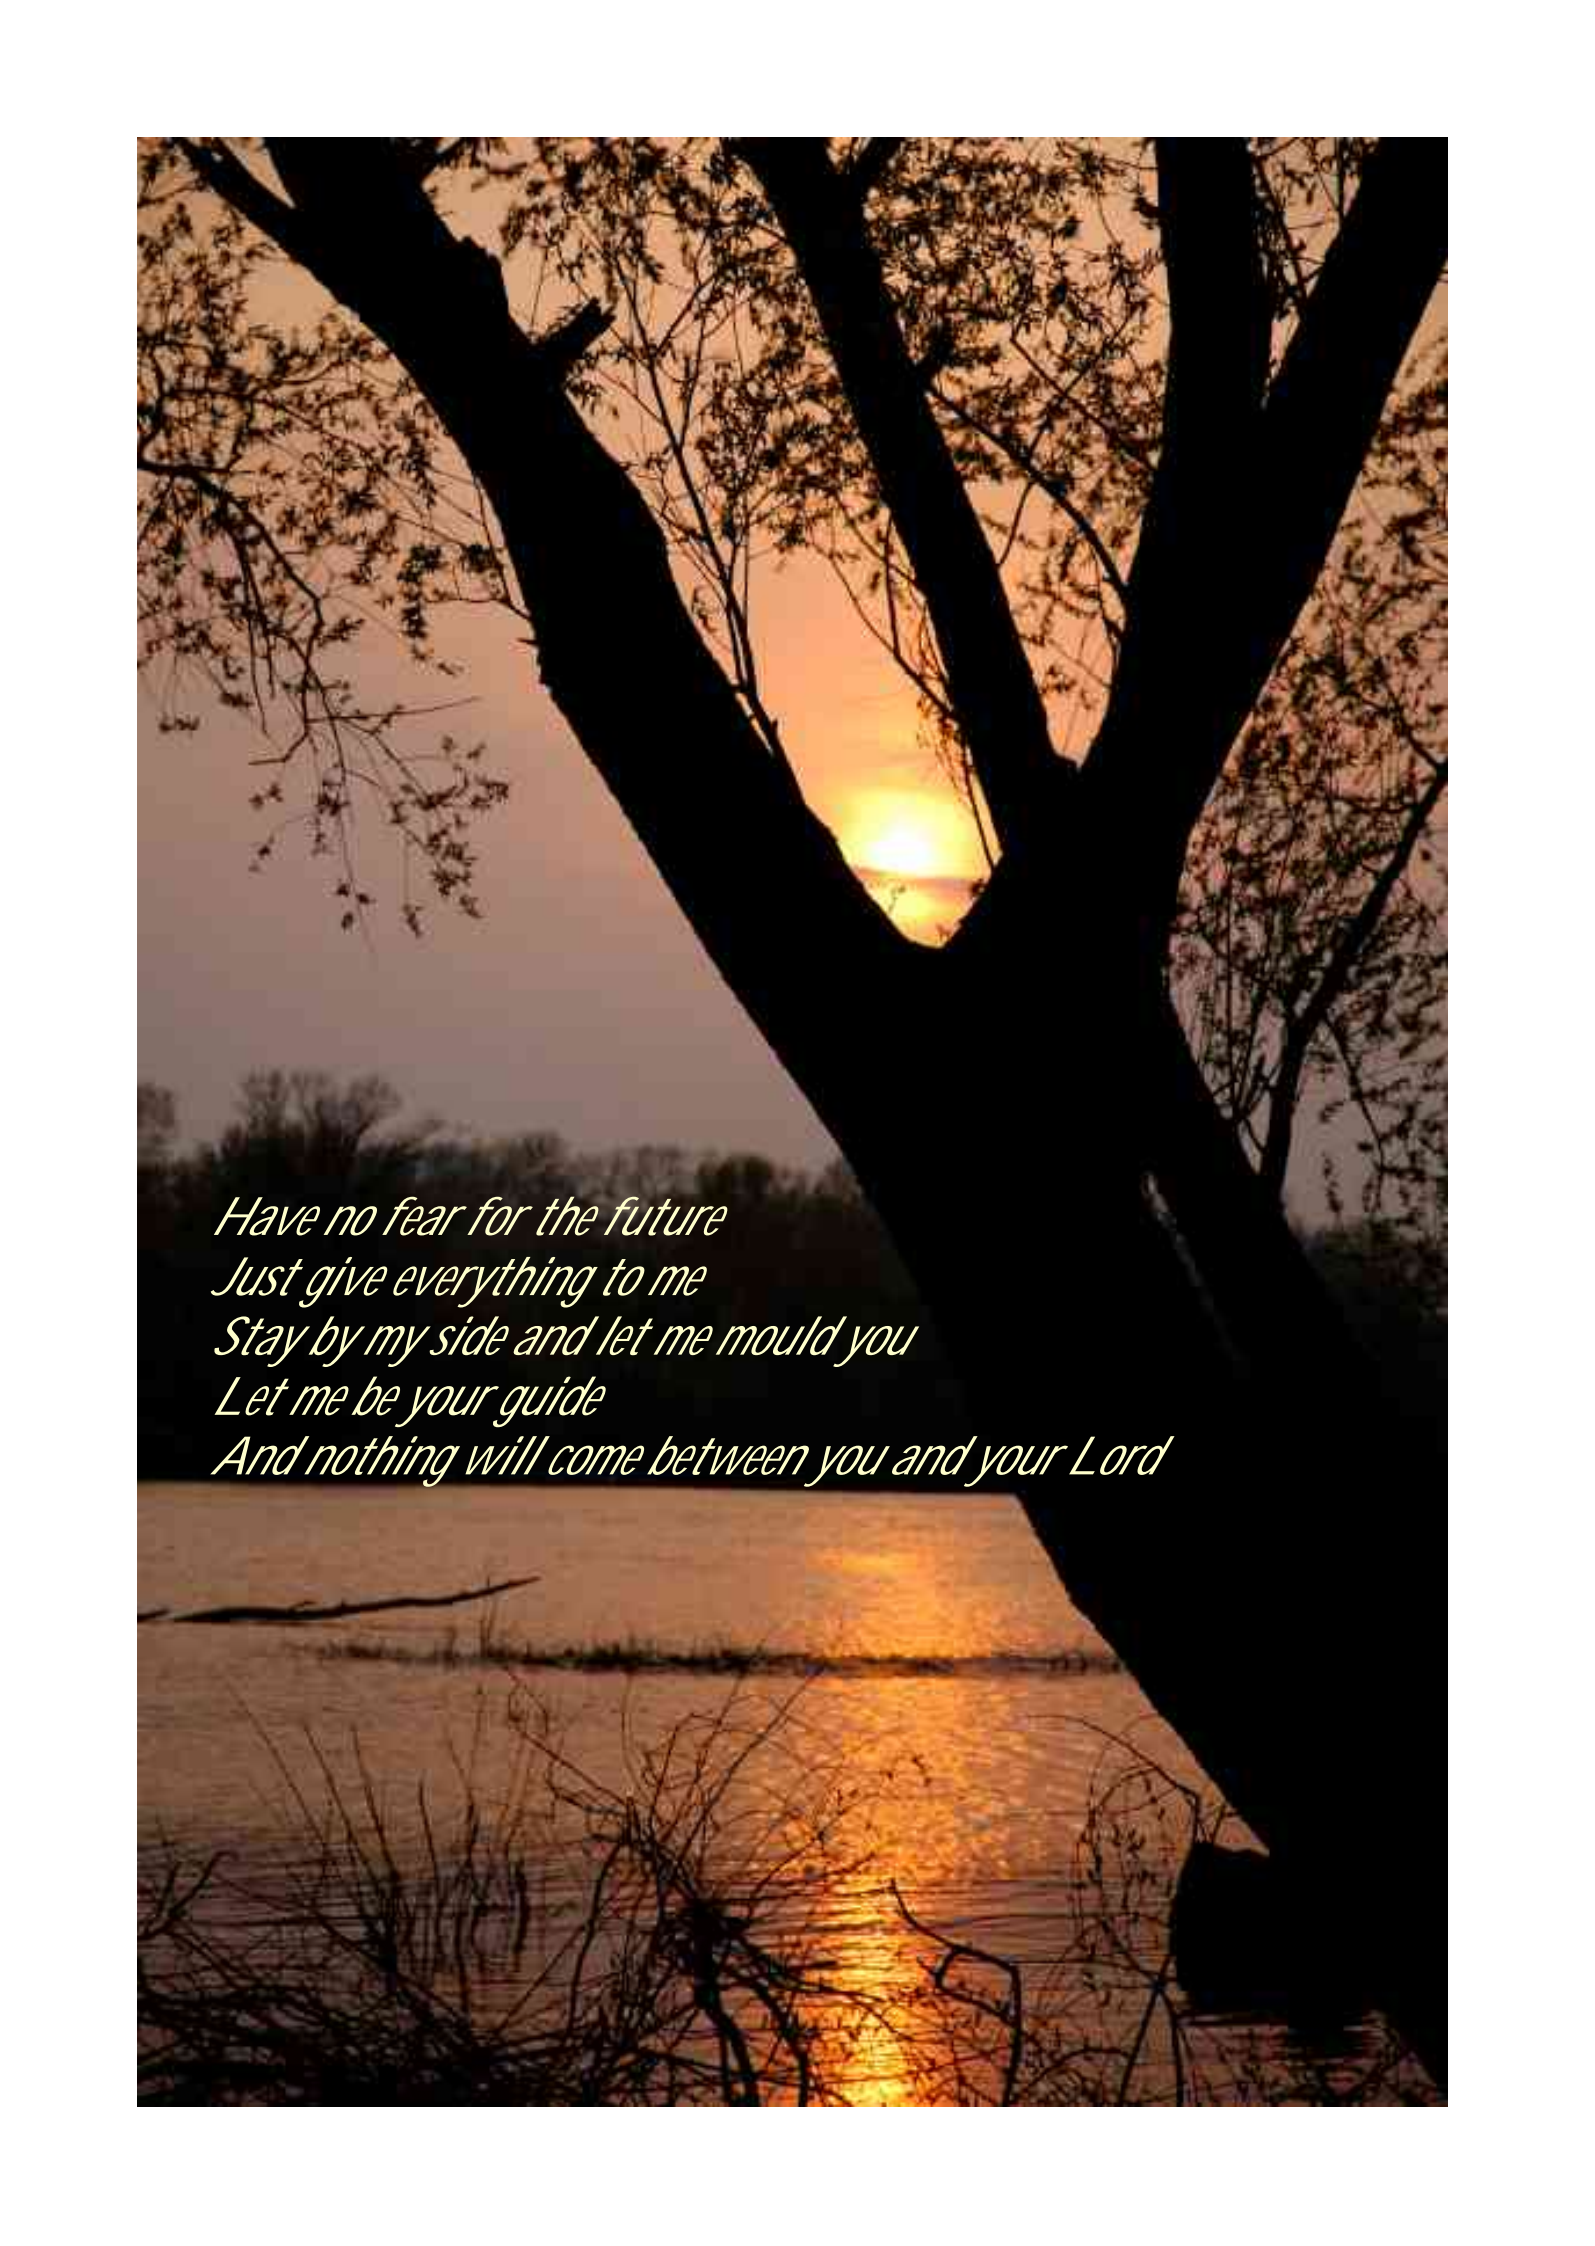

*All I ask  
Is that you wait on me*

*Rest in me  
Let the past go*

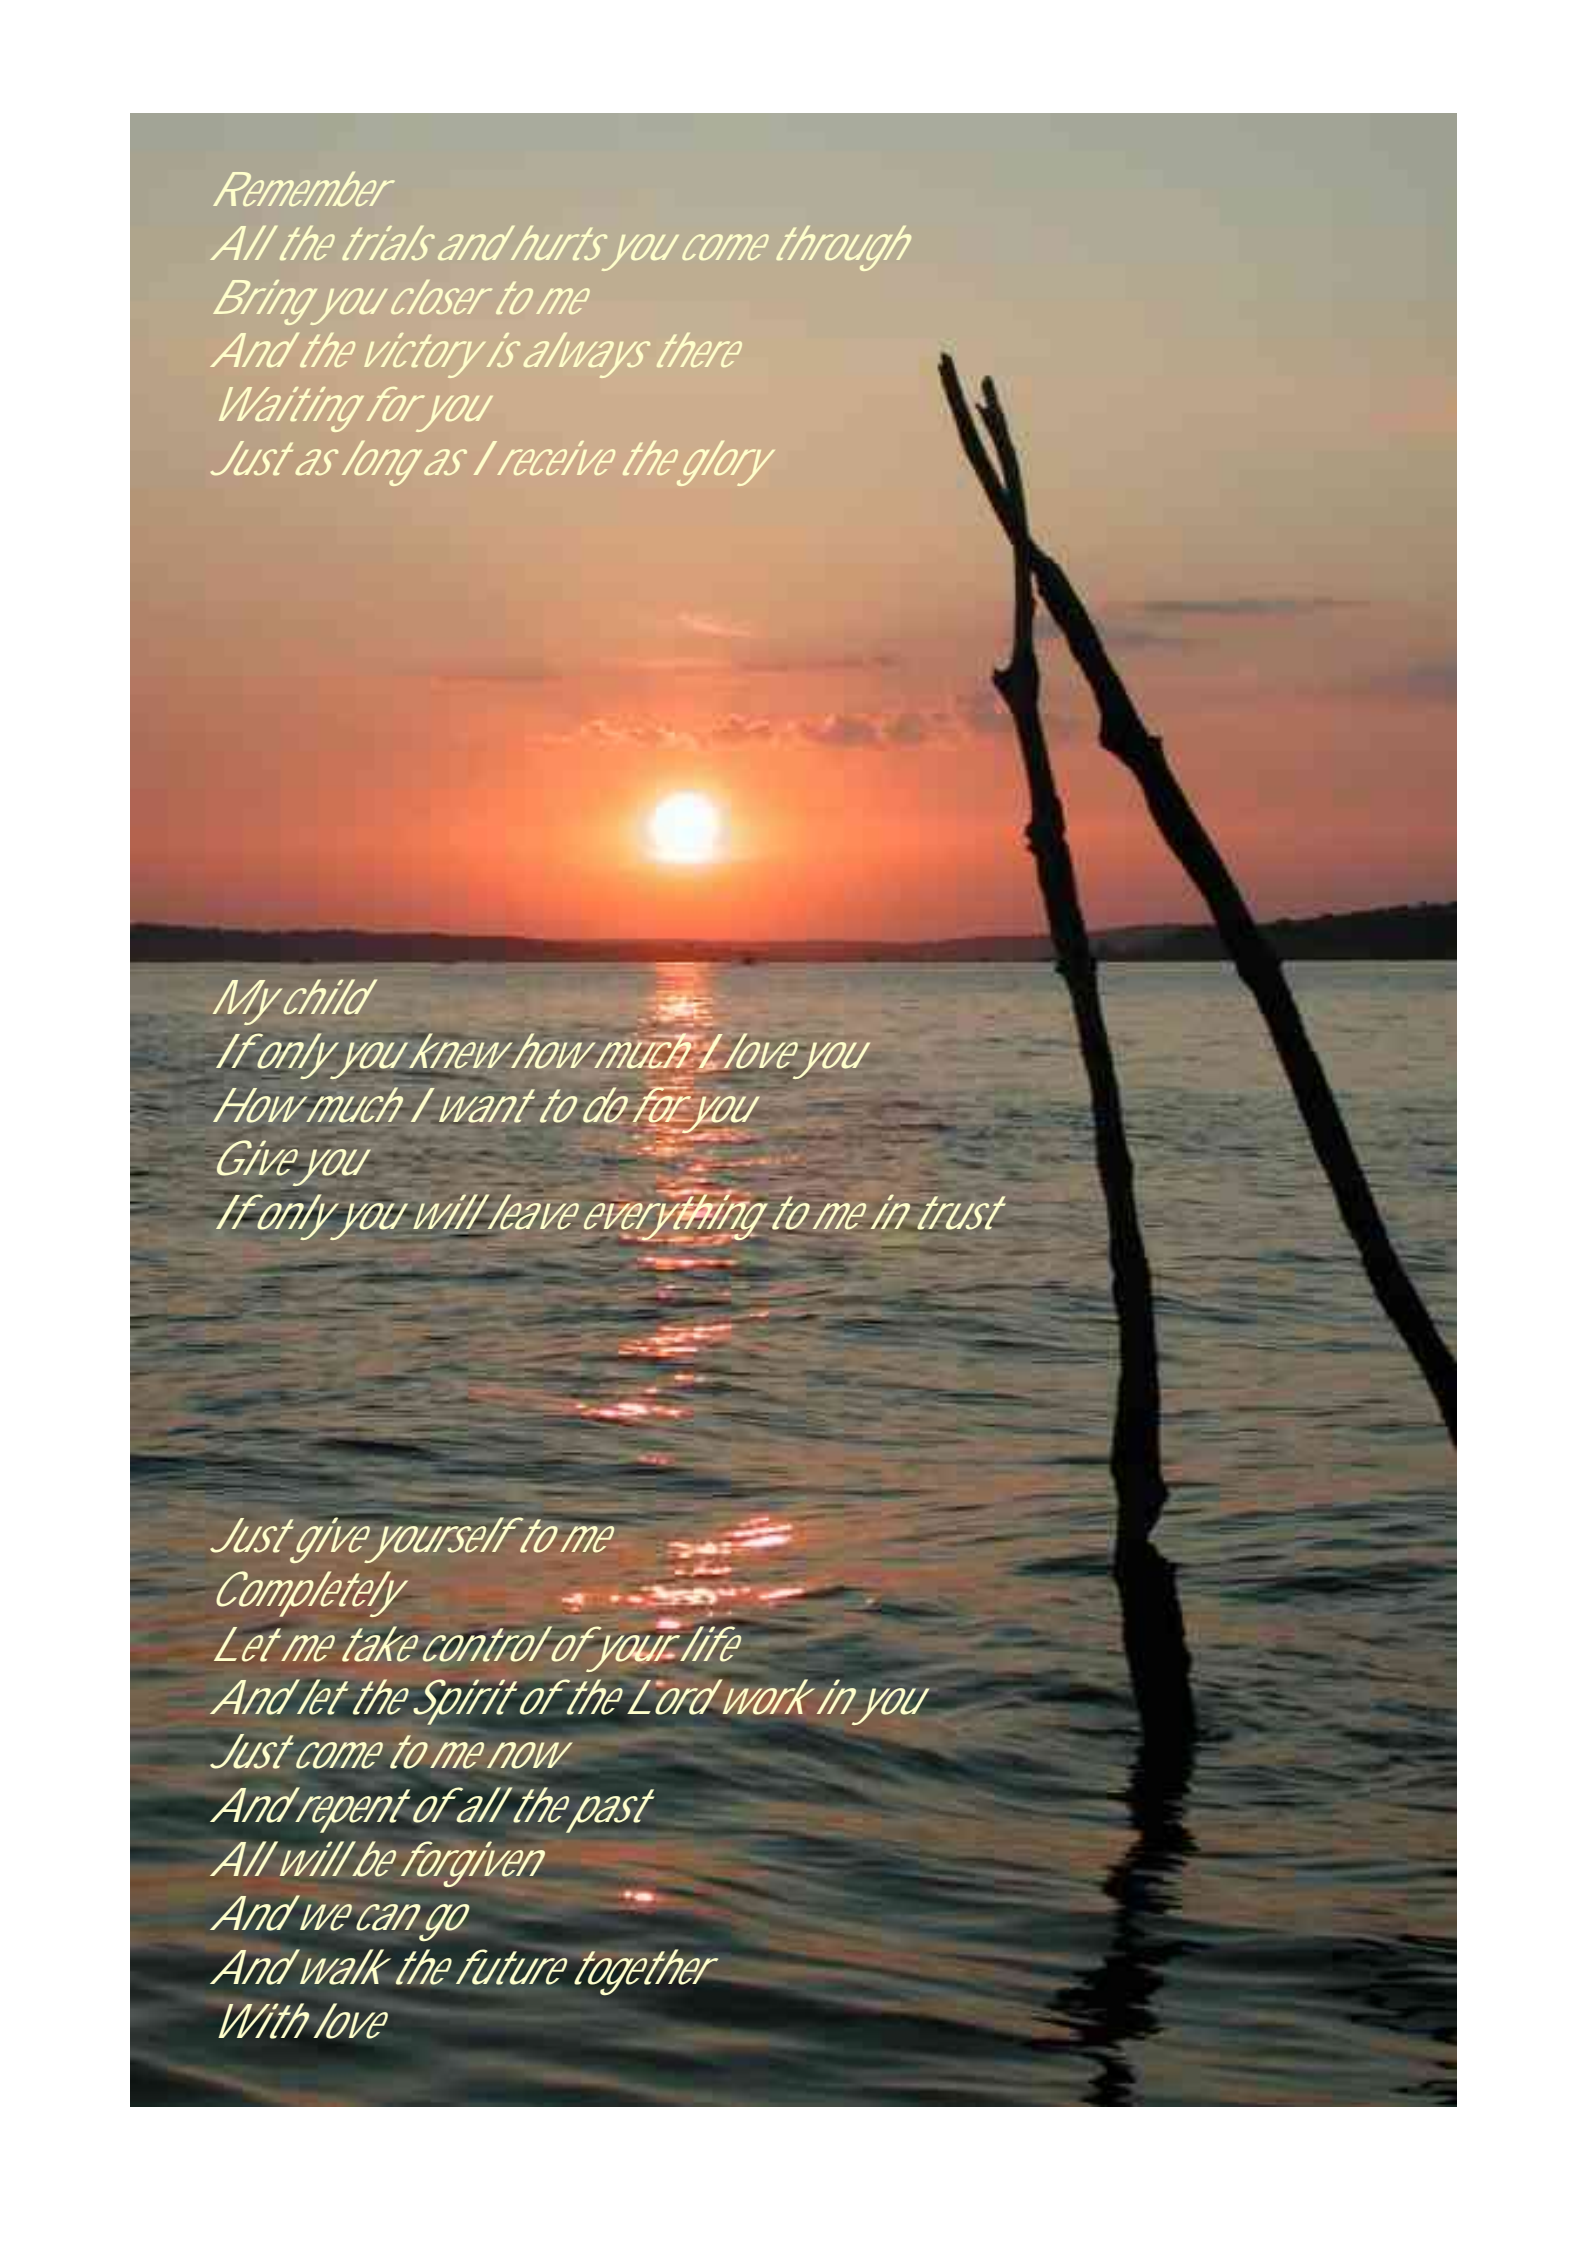

*I have a plan for your life  
So trust  
And do not strive*

*Leave everything to me  
That is the way I want it to be*

*Have no fear for the future  
Just give everything to me  
Stay by my side and let me mould you  
Let me be your guide  
And nothing will come between you and your Lord*

A serene sunset scene over a body of water. The sun is low on the horizon, casting a bright orange glow across the sky and reflecting on the water's surface. A dark, gnarled driftwood branch stands vertically in the foreground on the right side, its reflection visible in the water. The overall mood is peaceful and contemplative.

*Remember  
All the trials and hurts you come through  
Bring you closer to me  
And the victory is always there  
Waiting for you  
Just as long as I receive the glory*

*My child  
If only you knew how much I love you  
How much I want to do for you  
Give you  
If only you will leave everything to me in trust*

*Just give yourself to me  
Completely  
Let me take control of your life  
And let the Spirit of the Lord work in you  
Just come to me now  
And repent of all the past  
All will be forgiven  
And we can go  
And walk the future together  
With love*

## *I Will Be There For You – That is My Promise*

*I know all my children's needs  
And burdens  
Before they come to me*

*I just sit and wait  
For you to bring them to me*

*So do not wait  
Until it is too late for you  
Come to me now  
Let me hear you cry  
And call my name  
Jesus*

*I will be there for you  
That is my promise*
